Archeology Programming Ideas from Attendees:

“Recreated Spanish colonial food and dance with local dance instructor and Latino owned restaurants to focus on Spanish colonial historic archaeology”

“Archaeology Fair with booths: NTAS, trash can archaeology, sandbox dig, earth oven demo, blacksmiths, flint knapper, archaeology tool petting zoo, oral history booth, master gardeners, ground radar and cemetery tools, scouts earn archaeology badge, more. Public Lectures throughout the month by Archaeologists held at the county museum.”

“We do a pinch pot program, but we are working on a new one that includes transfer printing on a tile. We are testing it out next week.”
