

GENERAL TERMS AND CONDITIONS

UPDATED 01/24/2025

The following terms, conditions, provisions and representations apply to the Contract between the Contractor and the Texas Historical Commission (THC). The term Party or collectively Parties as used in this Contract refer to the Contractor and THC. Additionally, THC may also be referred to as Agency.

1. TERMINATION and SURVIVAL**1.1. Termination for Convenience.**

THC reserves the right, in its sole discretion, to terminate the Contract, in whole or in part, without penalty, by providing written notice to the Contractor prior to the effective date of termination, and such date shall be specified by THC in the termination notice. THC will deliver the written notice in the form and manner specified for notices elsewhere in the Contract (Notices).

In the event of such termination, the Contractor shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of the termination. THC shall be liable only for payments for any goods or services rendered by the Contractor prior to the effective date of the termination. THC may request in writing that the Contractor perform work that is necessary to wind-up, in a cost-effective manner, all services formerly being provided under the Contract and, if THC chooses to request such wind-up services, then THC will be liable for payment(s) directly related to the Contractor's provision of such agreed upon services. THC's termination rights in this Section are in addition to any termination made necessary due to lack of available funding as detailed elsewhere in the Contract (Funding Availability).

1.2. Termination for Cause/Default/Ineligibility.

If the Contractor fails to provide the goods or services contracted for according to the provisions of the Contract, or fails to comply with any terms or conditions of the Contract, or it is discovered the Contractor is ineligible to receive payment under the Contract, then THC may, upon written notice of to the Contractor, terminate all or any part of the Contract. THC will deliver the written notice in the form and manner specified for notices elsewhere in the Contract (Notices). Termination is not an exclusive remedy, but is in addition to any other rights and remedies as provided in equity, by law, or otherwise under the Contract. THC may exercise any other right, remedy, or privilege which may be available to it under applicable law of the State of Texas, or any other applicable law, or may proceed by appropriate court action to enforce the provisions of the Contract. The exercise of any of the foregoing remedies will not constitute a termination of the Contract unless THC notifies the Contractor in writing prior to the exercise of such remedy. The Contractor shall be liable for all costs and expenses, including court costs and attorneys' fees, incurred by THC with respect to the enforcement of any of the remedies listed herein.

If Contractor is found to be in default under any provision of this Contract, THC may cancel this Contract without notice and re-solicit or award the Contract to the next best solicitation respondent. The defaulting Contractor will not be considered in the re-solicitation and may not be considered in future solicitations for the same type of work, unless the specification or scope of work is significantly changed.

The defaulting Contractor shall be responsible for paying damages to THC including, without limitation, re-procurement costs and any consequential damages to the State of Texas or THC resulting from Contractor's performance.

1.3. Rights Upon Termination or Expiration.

In the event that this Contract is terminated for any reason, or upon its expiration, THC shall retain ownership of all associated Work products and documentation (as further detailed in Work Product section) obtained from Contractor under this Contract.

1.4. No State or THC Liability Upon Termination.

If this Contract is terminated for any reason, neither THC nor the State of Texas will be liable to Contractor for any damages, claims, losses, or any other amounts arising from or related to any such termination.

1.5. Survival.

Expiration or termination of this Contract, for any reason, does not release Contractor from any liability or obligation set forth in this Contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of this Contract, including, without limitation, the provisions regarding warranty, indemnification, confidentiality, records, audit rights, property rights, dispute resolution, invoicing, default, rights and remedies upon termination, and this Survival section.

2. DISPUTE RESOLUTION, APPLICABLE LAW and VENUE, SOVEREIGN IMMUNITY, and NO IMPLIED WAIVER**2.1. Dispute Resolution Process, Chapter 2260.**

The dispute resolution process provided for in Texas Government Code, Chapter 2260, must be used, as further described herein, to attempt to resolve disputes arising under the Contract.

If Contractor asserts a claim for breach of contract, and the Parties are unable to resolve the Contractor's claim in the ordinary course of business, it shall be submitted to the negotiation process provided for in Chapter 2260. To initiate the process, Contractor shall submit a written notice, as required by Chapter 2260 and in a manner conforming to the Notice requirements of the Contract, to the THC Executive Director or his or her designee. Compliance by Contractor with Chapter 2260 is a condition precedent to the filing of a contested case proceeding under Chapter 2260.

2.2. Contractor's Sole and Exclusive Remedy.

The contested case process provided in Chapter 2260 is the Contractor's sole and exclusive process for seeking a remedy for an alleged breach of contract by THC if the Parties are unable to resolve their disputes as described above.

Compliance with the contested case process provided in Chapter 2260 is a condition precedent to seeking consent to sue from the Texas Legislature under Civil Practices and Remedies Code, Chapter 107.

2.3. Negotiation and Mediation.

For claims or disputes under this Contract not falling within the scope of Chapter 2260, THC and Contractor will first attempt to resolve them through direct discussions in a spirit of mutual cooperation. If the Parties' attempts to resolve their disagreements through negotiations fail, the dispute will be mediated by a mutually acceptable third-party to be chosen by THC and Contractor within 15 (fifteen) days after written notice by the Party demanding mediation under this Section. Contractor will pay all costs of the mediation unless THC, in its sole good faith discretion, approves its payment of all or part of such costs. By mutual agreement, THC and Contractor may use a non-binding form of dispute resolution other than mediation. The purpose of this Section is to reasonably ensure that THC and the Contractor will, in good faith, utilize mediation or another non-binding dispute resolution process before pursuing litigation. THC's participation in, or the results of, any mediation or other non-binding dispute resolution process under this Section will not be construed as a waiver by THC of, (i) any rights, privileges, defenses, remedies, or immunities available to THC as an agency of the State of Texas or otherwise available to THC; (ii) THC's termination rights; or (iii) other termination provisions or expiration dates of this Contract.

2.4. Continuing Contractor Performance.

Notwithstanding any other provision of this Contract, unless otherwise requested or approved in writing by THC, Contractor shall continue performance and will not be excused from performance during the period any breach of contract claim or dispute is pending under any of the above processes; however, Contractor may suspend performance during the pendency of such claim or dispute if Contractor has complied with all provisions of Texas Government Code § 2251.051, and such suspension of performance is expressly applicable and authorized under that law.

2.5. Choice of Law.

This Contract will be governed by and construed in accordance with the laws of the State of Texas, without regard to any otherwise applicable conflict of law rules or requirements.

2.6. Choice of Venue.

The venue of any properly allowed litigation or other dispute resolution proceeding arising out of, or in any way relating to, this Contract is fixed, exclusively, in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to THC. The Contractor hereby irrevocably and unconditionally consents to such exclusive jurisdiction and hereby waives and agrees not to assert: (i) that Contractor is not personally subject to the jurisdiction of a court of competent jurisdiction identified above, (ii) that the suit, action, or proceeding is brought in an inconvenient forum, (iii) that the venue of the suit, action, or proceeding is improper, or (iv) any other challenge to jurisdiction or venue.

2.7. Sovereign Immunity.

The Parties expressly agree that no provision of this Contract is in any way intended to constitute a waiver by THC or the State of Texas of any privileges, rights, defenses, or immunities from suit or from liability that THC or the State of Texas may have by operation of law. Neither the execution of this Contract by THC nor any other conduct of any representative of THC relating to this Contract (prior or subsequent to its execution) may be considered a waiver of sovereign immunity.

2.8. Strict Compliance and No Implied Waiver.

Contractor must strictly comply with all of the requirements of this Contract. The failure of THC to insist at any time upon the strict compliance with any requirement of this Contract or to exercise any option, right, power, or remedy contained in this Contract will not be construed as a waiver or a relinquishment thereof for the future. A waiver by THC of any breach of any term of this Contract will not be construed as a waiver of any continuing or successive breach, or a basis for estoppel.

3. CONFIDENTIALITY, PUBLIC INFORMATION, MEDIA RELEASES, and AUDIT RIGHTS

3.1. Texas Public Information Act.

Notwithstanding any provisions of this Contract to the contrary, Contractor understands that THC will comply with the Texas Public Information Act, as codified in Chapter 552, Texas Government Code, and interpreted by judicial opinions and opinions of the Attorney General of the State of Texas. This Contract and all data and other information generated or otherwise obtained in its performance may be subject to the Texas Public Information Act.

Copies of documents not maintained in digital format must be provided to THC within thirty (30) days. Copies of documents maintained in digital format must be provided to THC in .pdf format within thirty (30) days. Contractor shall notify THC's point of contact within 24 (twenty-four) hours of receipt of any third-party requests for information that was provided by the State of Texas for use in performing this Contract. THC will make a determination whether to submit a Public Information Act request to the Attorney General of the State of Texas.

3.1.2. Production of Information Under the Texas Public Information Act.

Contractor shall cooperate with THC in the production of documents responsive to a request. In accordance with Texas Government Code § 2252.907, Contractor is required to make any information created or exchanged with THC or the State of Texas pursuant to this Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to THC or the State of Texas. Copies of documents maintained in digital format shall be provided to THC in .pdf format within 30 (thirty) days. Copies of documents not maintained in digital format must also be provided to THC within 30 (thirty) days. In the case of an Open Records Request, THC may request that documents be made available to THC within five (5) days.

3.3. Media Releases and Public Disclosures.

Contractor is not authorized to make or participate in any media releases or public announcements or disclosures pertaining to this Contract or the services to which this Contract relates without THC's prior written consent, and then only in accordance with explicit written instructions from THC. Contractor shall not use THC's name, logo, or other likeness in any press release, marketing material, or other announcement without THC's prior written approval. THC does not endorse any vendor, commodity, or service. Notwithstanding the foregoing, THC agrees that Contractor may include general references to the work Contractor is performing under this Contract in its marketing materials, including proposals and statements of qualifications, for purposes of demonstrating professional experiences and qualifications.

Contractor and subcontractors shall cooperate with any authorized agents of THC and/or the State of Texas conducting any lawful audit or investigation and shall provide them with prompt access to any information pertaining to this Contract, or otherwise considered relevant to the investigation or audit, upon THC's or the State's request as provided for herein or pursuant to any applicable laws or regulations of the State of Texas. Contractor's failure to comply with the Audit Provisions of this Contract will constitute a material breach of this Contract and will authorize THC and the State of Texas to immediately assess appropriate damages for such failure.

Contractor shall make available at reasonable times, upon reasonable notice, and for reasonable periods, work papers, reports, books, records, supporting documents, and other information kept current by Contractor pertaining to this Contract for purposes of inspecting, monitoring, investigating, auditing, or evaluating by THC, the State Auditor, or any other authorized agent of the State of Texas.

3.4.1. State Auditor's Right to Audit.

Pursuant to Texas Government Code § 2262.154, the State Auditor may conduct an audit or investigation of any entity receiving funds from the State directly under any contract or indirectly through a subcontract under any contract. The acceptance of funds by Contractor, or any other entity or person directly under this Contract or indirectly through a subcontract under this Contract, acts as acceptance of the authority of the State Auditor to conduct an audit or investigation in connection with those funds. Contractor or other entity that is the subject of an audit or investigation by the State Auditor must provide the State Auditor with access to any information the State Auditor considers relevant to the investigation or audit. Contractor shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through this Contract and the requirement to cooperate is included in any subcontract it awards.

6.2. Funding, Excess Obligations.

The Parties acknowledge and agree that nothing in this Contract will be interpreted to create a future obligation or liability in excess of funds currently appropriated to THC by the Texas Legislature. Contractor acknowledges and agrees that payments under this Contract are contingent upon THC's receipt of funds appropriated by the Texas Legislature. This Contract is subject to termination or cancellation, without penalty to THC, either in whole or in part, subject to the availability of THC funding. In the event appropriated funds are not available to continue payments for Contractor's performance under this Contract, THC will notify Contractor as soon as reasonably possible, and THC may terminate this Contract at that time, or such other date, as loss of appropriated funds may require. In the event the goods and/or services tested fail to meet or exceed all conditions and requirements of the Contract, they will be rejected, in whole or in part, at THC's option, and returned to Contractor or held for disposition at Contractor's expense. Latent defects may result in cancellation of this Contract at no expense to THC or the State of Texas.

6.10.2. Testing Failure.

If a material fails to meet specifications, then Contractor shall be notified by written notice in the form and manner specified for notices elsewhere in the Contract (Notices). Contractor will have ten (10) working days after receipt of the notification to remove the rejected material from State property. The material will be removed at Contractor's expense. In no event shall this provision relieve Contractor of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with this Contract. THC retains the right to check a subcontractor's background and approve, or reject, the use of submitted subcontractors.

7.4. Limitation on Contractor Authority.

Contractor shall have no authority to act for, or on behalf of, THC or the State of Texas except as expressly provided for in this Contract; no other authority, power or use is granted or implied. If THC, in its sole discretion, elects to send its own separate notice, then all costs associated with preparing and providing notice shall be reimbursed to THC by Contractor. If Contractor does not reimburse such costs within thirty (30) days of THC's written request, then THC will have the right to collect such costs.
